## FATWA

### alburaq Shariah Compliant Savings Plan

As members of the Shariah Supervisory Committee ("SSC") for ABC International Bank PLC it is our responsibility to review and audit their products and services (including legal documentation) that they introduce and distribute in the United Kingdom under their brand, 'alburaq'.

We have reviewed the structure and documentation for the alburaq Shariah Compliant Savings Plan.

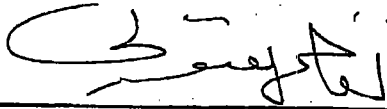

We, the members of the SSC, have reviewed the following documentation:

- 1 the Terms & Conditions;
- 2 the Marketing Brochure;

In our opinion, the concepts and the Agreements are consistent and in compliance with the principles of Shariah and therefore we hereby issue this Fatwa to confirm the same.

And Allah knows best. Ameen.
